

3-7 JUNE 2024 – BILBAO EXHIBITION CENTRE

CZECH CHAMBER OF COMMERCE
FAO: MS. IVANA HRDINOVÁ
CZECH REPUBLIC

Dear Ms. Hrdinová,

It is a pleasure to contact you on the occasion of the 32nd edition of [BIEMH - International Machine Tool Exhibition](#) co-organised by [BILBAO EXHIBITION CENTRE](#) (BEC) along with [AFM - Advanced Manufacturing Technologies](#), which will take place from 3 to 7 June 2024 at BEC, Bilbao (Spain).

Backed by 31 successful editions and enjoying a solid global prestige, the International Machine Tool Exhibition will once again bring together innovation, technology, knowledge and business at the highest level. Moreover, you will be able to enjoy a unique experience that will allow you to get to discover directly and personally the innovations, products and services of the exhibiting companies.

The 2024 Exhibitors' Directory will be available soon on our website. In the meantime, we encourage you to consult the [2022 Exhibitors' Directory](#), where you can find detailed information about each of the companies.

On the other hand, we inform you that, besides BIEMH, the following fairs will also take place in parallel: [BeDIGITAL](#), an event aimed at the industrial application of digital technologies, and [ADDIT3D](#), International Trade Show on Additive Manufacturing and 3D Printing.

BEC would like to invite you to participate in organizing a **delegation of businesspeople with the power to purchase the products and services showcased at the fair**. If you accept our proposal, BEC is committed to covering your flight and accommodation expenses as the coordinator of the delegation, as long as the following conditions are met:

- Form a delegation of at least four different companies, not including the coordinator.
- The professional members of the delegation must belong to the Procurement Department, Technical Department or Management of the company.
- Confirm attendance of the companies in the delegation **by 30 April 2024**.

To facilitate your visit, we will offer you:

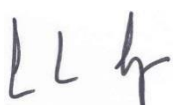

- Accommodation (flight not included) for the businesspeople who are part of the delegation. The invitation will cover only one person per company. The dates of invitation in the case of Czech Republic will be from **5 to 7 June (2 hotel nights)**.
- Free access to the exhibition area
- Free access to conferences
- Arrangement of meetings with exhibiting companies
- Invitation to social events
- VIP lounge access

We would highlight the following points:

- BEC will only pay for one coordinator per delegation.
- The participation of interested companies will be subject to acceptance of the profile by Bilbao Exhibition Centre.
- The organisers will admit only one delegation per company or association.
- If the coordinator is accompanied by fewer than four companies, the organisers will continue to cover the accommodation of the members of the delegation and the coordinator (flight not included).

We are happy to answer any further queries you may have.

Best regards,

Cristina Campo
